

“Spirit Cooking”? What’s That?

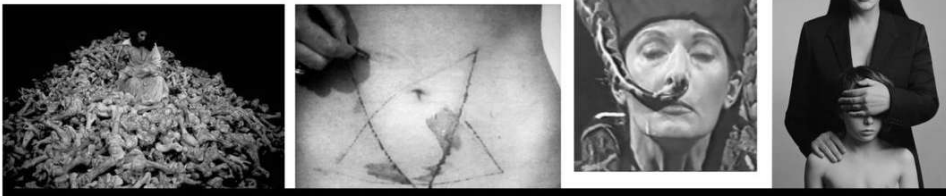

1.) Who is John Podesta?

Hillary’s campaign manager. Bill’s Chief of Staff. Advisor to Obama (“the backbone of his second term”). Top contender for Hillary’s Chief of Staff. One of the most powerful men in D.C.

2.) Who is Marina Abramovic?

A Serbian “performance artist” with powerful friends, such as: Lady Gaga, Jay-Z, James Franco, John Podesta, and Hillary Clinton. Her “art” focuses on “confronting pain, blood, and physical limits of the body.” Translation: she cuts pentagrams into herself and smears pig’s blood everywhere. She has received money from the Clinton Foundation.

3.) What is Spirit Cooking?

“Spirit Cooking” is the title of one of Marina’s “performance art” pieces. It involves painting messages and Satanic symbols on the walls in pigs blood, the “artist” putting a snake in her mouth, and dumping buckets of blood on a life-sized child effigy. It’s called ‘cooking’ because it includes recipes, such as:

With A Sharp Knife, Cut Deeply Into The Middle Finger Of Your Left Hand. Eat The Pain

Who made these flyers and why? Just a regular guy. I went to Kinko's this morning, printed them, drove up here, not being paid by anyone. My motivation is simply that reading about this stuff was highly alarming. I'm not a very political person, might vote third party, might not vote at all. I hope you at least look into this before voting for yourself. Here's a compilation of info someone put together, please look at this or do a search on your own: <http://imgur.com/a/1TFPJ>

Please research this for yourself! #SpiritCooking
